Unilateral Price Policy - United States

Effective January 1, 2019

We recognize that our high-quality resellers invest time and resources to deliver an extraordinary customer experience through knowledgeable staff and compelling vendor presentation. To support our resellers' efforts, Robert Bosch LLC, Automotive Aftermarket and Bosch Automotive Service Solutions Inc. (together, "Bosch") wish to establish policies that allow resellers to earn the profits necessary to maintain the high level of customer excellence people have come to expect from Bosch resellers.

To successfully compete in the marketplace and to maintain its premium brand image, Bosch has announced this Unilateral Policy. Hereafter, all sales from Authorized Resellers to End Users of products set forth in the Bosch *Unilateral Price Grid* (attached) inside the United States shall be subject to this Unilateral Policy.

Bosch products covered and their coordinating minimum advertised prices are set forth in the Unilateral Price Grid found on the Bosch website at: <https://partners.boschautoparts.com> or shall be delivered or otherwise made available by Bosch to the Authorized Reseller. Bosch reserves the right from time to time to alter, modify, suspend, or cancel this Unilateral Policy, the products covered, and/or the minimum advertised prices.

This policy does not restrict the Authorized Reseller's right to establish independent advertised and/or resale prices of Bosch products. Bosch reserves the right to determine whether an Authorized Reseller has advertised Bosch products at a net advertised price less than the minimum advertised price established in this Unilateral Policy. Upon such determination Bosch may, without assuming any liability, cancel all orders and may indefinitely refuse to accept new orders from the Authorized Reseller.

This policy has been unilaterally adopted by Bosch. Bosch neither solicits nor will it accept assurances by an Authorized Reseller of acquiescence with this policy. Nothing in this policy shall constitute an agreement between Bosch and any Authorized Reseller of compliance with this policy. The Authorized Reseller within its own discretion can choose to acquiesce or not acquiesce with this policy. Bosch will not discuss conditions of acceptance related to this policy. This policy is non-negotiable and will not be altered, modified, or amended for any Authorized Reseller.

Combining a Product(s) from the *Unilateral Price Grid* with any other product for a sales price lower than the combined price of what the two (2) products could be purchased independent of each other, shall not constitute acquiescence with the Bosch Unilateral Policy.

The issuance of non-Bosch announced rebates (in any form) on a Product(s) listed in the *Unilateral Price Grid* shall not constitute acquiescence with the Bosch Unilateral Policy.

Advertising that requests the End User to "see price in cart," "click to see price," "add to cart for best price," "Why we do not show a price?" or a price that is struck through, no price listed or any language or graphic representation that implies, or from which the End User can infer, that the End User click through to the cart to see a price lower than that set forth in the *Unilateral Price Grid*, shall not constitute acquiescence with the Bosch Unilateral Policy.

The offer of free shipping or financing on product(s) in the *Unilateral Price Grid* shall constitute acquiescence with the Bosch Unilateral Policy.

The offer of a gift card redeemable for value on a future purchase with the purchase of product(s) in the *Unilateral Price Grid* shall constitute acquiescence with the Bosch Unilateral Policy.

Bosch, from time to time within its sole discretion, may announce promotion prices and bundles of the products listed in the *Unilateral Price Grid* which shall constitute acquiescence with the Bosch Unilateral Policy.

Bosch sales personnel has no authority to modify or grant exceptions to this policy. All questions regarding interpretation of this policy should be directed to the Bosch Policy Coordinator at: UP-NA@us.bosch.com.
